## An Event to Raise Awareness

Help us prevent suicide and preserve life. Each year, over 30,000 American lives are lost to suicide and another 600,000 people make suicide attempts.

This is your opportunity to help end such tragic loss. SPS depends on community involvement to continue raising awareness, providing counseling, and expanding programs.

Please join students, friends, parents, and survivors, as we walk along the banks of the beautiful Fox River from St. Charles to Batavia and back to raise money, awareness and help lift the stigma that surrounds suicide and mental illness.
